39: For fire incidents, describe resistance to control in terms of:
 1. Growth Potential - **High**
 2. Difficulty of Terrain - **High**

40: Given the current constraints, when will the chosen management strategy succeed?
Unknown

41: Projected demobilization start date: **07/04/2011 0800**

42: Remarks:
Supporting Simmons Road fire with resources and IR interpretation on an as requested basis. Also ordering IR for Pains Bay and Blueberry Farm fires on an as requested basis.
